The Executive Engineer or his representatives will inspect the wood as it is being stacked and shall have power to reject any pieces that are hollow, rotton, crooked or otherwise unsuitable for fuel for engines; he will also satisfy himself that the pieces are in accordance with the dimensions specified above and that the stacks are built as required : he shall also have power to reject any stacks which do not, in all respects, comply with the terms of this specification.

The wood must be at the risk of the contractor until it is stacked, approved, measured and accepted by the Executive Engineer or his representatives.

When the stacks are taken over, the contractor or his representative must be present during the measurement and must sign the record of measurement made by the Executive Engineer or his representatives in token of his agreement to the correctness thereof.

The quantity required is 2,500 tons in case of casuarina, or 3,000 tons in case of jungle fuel to Soldevanahalli Pumping Station. The quantity required is 7,500 tons in case of casuarina, or 9,000 tons in case of jungle fuel to the Bethamangala Pumping Station.

It should be delivered at the rate of 250 tons and 750 tons per month respectively to Soldevanahalli and Bethamangala Pumping Stations, commencing from the date on which the contract is accepted.

R. G. FOREGARD, for *Executive Engr.*

K. SRINIVASA RAO, for *President*.

MYSORE GOVERNMENT STATIONERY DEPOT.

TENDER FOR THE SUPPLY OF MISCELLANEOUS STATIONERY ARTICLES.

Notice dated 5th April 1904.

1. Sealed tenders for the supply of the undermentioned miscellaneous articles required by the Mysore Government Stationery Depot for the official year 1904-05. will be received by the Superintendent of Stationery, Mysore Government, at his office, Bangalore, up to 4 P. M. on Saturday the 7th May 1904.

2. Tenders should be superscribed "Tender for Miscellaneous Articles for Stationery depot for 1904-05," and should be accompanied by a deposit of Rs. 50 as earnest money, which will be returned after the disposal of the tenders, to all unsuccessful tenderers, and be liable to be forfeited if the successful tenderer fails to fulfil the conditions of the contract.

3. Each tenderer must produce along with the tender a sample of the articles that he is willing to supply. The sample should be duly labelled and must bear the tenderer's signature and address.

4. The successful tenderer or tenderers will be required to deposit a cash security of 5 % on the value of the articles for which the tender is accepted, for the due fulfilment of his or their contract.

5. The quantities specified in the Schedule annexed hereunder are only approximate. The successful tenderer must be prepared to deliver all articles agreed to at the Government Stationery Depot, Bangalore, within one month after the receipt of order. Each article must be delivered in one instalment only. All supplies will be subject to examination and final passing by the Superintendent of Stationery. Articles not considered up to quality and sample will be rejected and not be paid for and will remain at the depot at the risk of the supplier.

6. Payments will be made on bills to be checked by the Superintendent of Government Stationery and submitted to Government, and such payment will be made after 1st July 1904.

7. Tenders must be submitted on forms which can be had on application to the Superintendent, Government Stationery, Bangalore, accompanied by one anna postage stamp to places outside Bangalore.

8. Tenders must specify the rate at which the tenderers agree to supply; these rates must include all charges up to delivery at the office of the Superintendent of Stationery, Government of Mysore, Bangalore.

9. Tenders may be made for the whole or any of the articles required.

10. Tenders will be opened by the Superintendent of Stationery, Mysore Government, Bangalore, in his office at 2 P.M., on Monday the 9th May 1904.
